P.S: -Ceci est un road book que nous proposons comme une balade. Vous n'êtes pas sur un parcours sportif, et les routes sont ouvertes à la circulation. Vous devez donc respecter les limitations de vitesse, la population des villages et hameaux traversés. Vous devez être assuré, et le certificat d'assurance apposé sur la machine!
En aucun cas, notre responsabilité ne pourra être engagée concernant quelque incident sur ce parcours. Vous devez porter les équipements de sécurité d'usage.

Soyez concentrés, le road book est facile, mais demande une lecture attentive.
Bonne route!!!
